Career Objective

A challenging Career which offers an opportunity to apply my skills knowledge with continuous learning and growth.

SKILLS

HTML, CSS, JavaScript ,MS Office, Creative Thinking and Problem Solving, Technical and Analytical Skills, Project Management skills, Communication Skills, Presentation Skills, Storytelling.

INTERNSHIP EXPERIENCE

Name of the Organization: Hetero Labs Limited (UNIT-9), Nakkapalli, A.P

Duration : 4 months

Name of the guide : K. Karuna Kumar, Head of the TS Department

Title of the project : Design of Shell and Tube Heat Exchanger by HTRI

Description : In this project the parameters offer design insights into the designs and evaluation of a tube & heat exchange, specifically a condenser. It showcases efficient heat transfer, low pressure drops, high efficiency and effectiveness and precise dimensions.

EDUCATION

Vignan's Foundation for Science, technology & Research (Deemed to be University), Guntur, India - *Bachelors in Technology (Chemical Engineering)*
JUNE 2019 - MAY 2023 **Graduated with A Grade. Overall CGPA: 7.63%**

Sri Chaitanya Junior College, Guntur, India - *Intermediate (Pre-Degree In Mathsand Science)* JUNE 2017 - MAY 2019 **Passed with Distinction, Overall CGPA: 7.46 %.**

Sri Kondaveedu Public School, Guntur, India - *10 Th Grade (Science and Maths)*
JUNE 2016 - MAY 2017 **Passed with Distinction, Overall CGPA: 8.2 %.**

PROJECTS

Ethanol production from potato peel waste

In this project we identified the moisture content was analyzed for the potato peels powder by using solid state fermentation process. The moisture content was founded 6.35% in potato peel powder. The pH of ethanol increases in concentration potato peels powder and lies between 4.3 to 5.8

Biosorptive removal of dyes by using water hyacinth leaf

In this project we analysis water hyacinth is a free floating plant and best adsorbent on the basis of removing dye and harmful pathogenic bacteria. At 350 and 700 degree Celsius the contact time for the complete removal of dye was 60 minutes.

STRENGTH

Self Confidence

Leadership skills

Time management

Self Motivated and Hard working Nature.

AWARDS and Certifications

- Certified in "**Air Pollution Control**" conducted by NPTEL in October 2022.
- Certified in "**Solar Energy Engineering & Technology**" conducted by NPTEL in October 2022.
- Certified in "**Chemical Process Safety**" conducted by NPTEL in October 2022.
- Received certificate in Techlearn online program.
- Received certificate in Section Coordinator of NSS.
- Certified in Women Empowerment quiz program.

PERSONAL DETAILS

Interests: Problem solving, Analytical skills, Supporter

Marital Status: Unmarried. Date of Birth: 07/01/2002

Address for Communication: H. No. 13-293, Sai Baba Peta, Nandikotkur, Nandyal (Dist.), Andhra Pradesh 518401

Linguistics Ability: Telugu, English, Hindi.

Date: **Signature**

Place: (K. Mohammad Rafi)
